NAA is a non-profit corporation organized and existing under the laws of the State of Texas and has obtained tax exempt status from the Internal Revenue Service as a 501(c)(6) trade association. As a 501(c)(6) trade association, membership dues are not deductible as charitable contributions; however, membership dues may be deductible as a business expense except for that portion allocable to lobbying activities. NAA intends to allocate none of its budget to lobbying activities. Individuals and organizations should consult with legal counsel to determine the appropriate tax treatment of paying membership dues or making other contributions to NAA.
